SUBJECT : **Advisory on the Processing of Contract of Service (COS)
Contracts**

Please be advised that the processing of new Contract of Service (COS) contracts and the renewal of existing COS contracts are extended until **31 July 2026** to provide the Constituent Universities (CUs), UP Philippine General Hospital (UP PGH), and UP System Administration (UPSA) offices sufficient time to complete the necessary requirements.

For COS contracts that have not yet been processed, the unit and the concerned COS personnel may use either the previous contract template or the new contract template. COS personnel who have already signed and executed their contracts are not required to execute a new contract using another template. For purposes of the **ATH-ICS Budget Clearance**, the uploading of the new COS contract is not required.

For those using the new contract template (Memorandum No. ACR 2026-100), the attached simplified **Annex B** and **Annex C** may be used. These annexes are intended to facilitate the preparation of the Terms of Reference and the certification of the mutually agreed work schedule, respectively.

With respect to Annex E, the CUs, UP PGH, and UPSA offices may continue to use their existing templates for documenting services rendered, subject to applicable accounting and auditing rules. For monthly-rate engagements, the Certificate of Service and Work Accomplishment Report, consistent with the existing procedures of the concerned CU, UP PGH, or UPSA office, may be attached to the Disbursement Voucher. For daily-rate engagements, the Daily Time Record and other applicable supporting documents, likewise consistent with the existing procedures of the concerned CU, UP PGH, or UPSA office, may be used.

A Technical Working Group shall be constituted to review and further study the COS contract templates for the next contract cycle, with appropriate consultation with relevant stakeholders of the University.

For guidance and compliance.
